which was not in conformity with existing rules which nevertheless was legal for & called on the committee to suggest suitable amendments to suit such contingencies in future - (Para Govt Dispo No DL 76/B31-10-2 dt 8-7-11). The present resolution of the Committee is with reference to the above.

2 The amendment may much lightens the severity of the rule - If the main object is to see the nominations ~~should be attested~~ signed in the presence of a responsible Govt servant of the rank of a Judge or a Magistrate the purpose will be equally served if ~~the papers~~ others of equal status in service be also empowered to attest. But perhaps there are legal reasons why it should be only before a Judge or Magistrate - Submitted for orders.

Resolution 4.

Last paragraph of Government Order No: Fl: 76/B.31-10-2 dated 8th July 1911, asking the Committee to take up for consideration the ammendment of Rule 23A, so as to provide additional facility for signing nomination applications to insured persons when the existing methods cannot be availed of by them.

Resolved that the Government be informed in reply that an amendment to Rule 23 in the manner now desired had been submitted to Government for adoption but it was considered to be of doubtful expediency (Vide Government Order No: Fl: 1992-B.49-09-2 dated 22nd 24th October 1910) and that the following may be now added on to Rule 23. A

"If it is impracticable to make the nomination in the manner laid down above, the application may be signed in the presence of a Judge or Magistrate having local jurisdiction and attested by such Judge or Magistrate and by two witnesses if the nominator is not personally known to such Judge or Magistrate".
